WHO ARE WE?

Established in 1973, GroupL is a leading company in India providing integrated facility management and workforce solutions. We offer intelligent solutions by combining trained manpower with best-in-class technology.

GroupL Services provides better people as security guards, housekeepers, pantry boys, loaders, electricians, plumber, peons, and more categories. Better because they have been trained, better because we care.

Our solutions are thoughtfully designed so you can zoom out of non-core business and zoom in on your core business while reducing your operating costs.
